

Diver Medical | Participant Questionnaire

Recreational scuba diving and freediving requires good physical and mental health. There are a few medical conditions which can be hazardous while diving, listed below. Those who have, or are predisposed to, any of these conditions, should be evaluated by a physician. This Diver Medical Participant Questionnaire provides a basis to determine if you should seek out that evaluation. If you have any concerns about your diving fitness not represented on this form, consult with your physician before diving. If you are feeling ill, avoid diving. If you think you may have a contagious disease, protect yourself and others by not participating in dive training and/or dive activities. References to "diving" on this form encompass both recreational scuba diving and freediving. This form is principally designed as an initial medical screen for new divers, but is also appropriate for divers taking continuing education. For your safety, and that of others who may dive with you, answer all questions honestly.

Directions

Complete this questionnaire as a prerequisite to a recreational scuba diving or freediving course.

Note to women: If you are pregnant, or attempting to become pregnant, *do not dive*.

Liability Release and Assumption of Risk Agreement

In European Union and European Free Trade Association countries use alternative form.

Please read carefully and fill in all blanks before signing.

I, Participant Name, hereby affirm that I am aware that skin and scuba diving have inherent risks which may result in serious injury or death.

I understand that diving with compressed air involves certain inherent risks; including but not limited to decompression sickness, embolism or other hyperbaric/air expansion injury that require treatment in a recompression chamber. I further understand that the open water diving trips which are necessary for training and for certification may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

I understand and agree that neither my instructor(s), All Professional Staff of Kyalami Scuba Club, the facility through which I receive my instruction, Kyalami Charters / Kyalami Scuba Club

nor PADI Americas, Inc., nor its affiliate and subsidiary corporations, nor any of their respective employees, officers, agents, contractors or assigns (hereinafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in this diving program or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in this course (and optional Adventure Dive), hereinafter referred to as "program," I hereby personally assume all risks of this program, whether foreseen or unforeseen, that may befall me while I am a participant in this program including, but not limited to, the academics, confined water and/or open water activities.

I further release, exempt and hold harmless said program and Released Parties from any claim or lawsuit by me, my family, estate, heirs or assigns, arising out of my enrollment and participation in this program including both claims arising during the program or after I receive my certification.

I HAVE FULLY INFORMED MYSELF AND MY HEIRS OF THE CONTENTS OF THIS NON-AGENCY DISCLOSURE AND ACKNOWLEDGEMENT AGREEMENT AND LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT BY READING BOTH BEFORE SIGNING BELOW ON BEHALF OF MYSELF AND MY HEIRS.

I also understand that skin diving and scuba diving are physically strenuous activities and that I will be exerting myself during this program, and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian. I understand the terms herein are contractual and not a mere recital, and that I have signed this Agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent I have the authority to do so and that my heirs, assigns, or beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.

I, Participant Name, BY THIS INSTRUMENT AGREE TO EXEMPT AND RELEASE MY INSTRUCTORS, All Professional Staff of Kyalami Scuba Club, THE FACILITY THROUGH WHICH I RECEIVE MY INSTRUCTION, Kyalami Charters / Kyalami Scuba Club, AND PADI AMERICAS, INC., AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.

Standard Safe Diving Practices Statement of Understanding

Please read carefully before signing.

This is a statement in which you are informed of the established safe diving practices for skin and scuba diving. These practices have been compiled for your review and acknowledgement and are intended to increase your comfort and safety in diving. Your signature on this statement is required as proof that you are aware of these safe diving practices. Read and discuss the statement prior to signing it. If you are a minor, this form must also be signed by a parent or guardian.

I, _____ (Print Name), understand that as a diver I should:

1. Maintain good mental and physical fitness for diving. Avoid being under the influence of alcohol or dangerous drugs when diving. Keep proficient in diving skills, striving to increase them through continuing education and reviewing them in controlled conditions after a period of diving inactivity, and refer to my course materials to stay current and refresh myself on important information.
2. Be familiar with my dive sites. If not, obtain a formal diving orientation from a knowledgeable, local source. If diving conditions are worse than those in which I am experienced, postpone diving or select an alternate site with better conditions. Engage only in diving activities consistent with my training and experience. Do not engage in cave or technical diving unless specifically trained to do so.
3. Use complete, well-maintained, reliable equipment with which I am familiar; and inspect it for correct fit and function prior to each dive. Have a buoyancy control device, low-pressure buoyancy control inflation system, submersible pressure gauge and alternate air source and dive planning/monitoring device (dive computer, RDP/dive tables—whichever you are trained to use) when scuba diving. Deny use of my equipment to uncertified divers.
4. Listen carefully to dive briefings and directions and respect the advice of those supervising my diving activities. Recognize that additional training is recommended for participation in specialty diving activities, in other geographic areas and after periods of inactivity that exceed six months.
5. Adhere to the buddy system throughout every dive. Plan dives – including communications, procedures for reuniting in case of separation and emergency procedures – with my buddy.
6. Be proficient in dive planning (dive computer or dive table use). Make all dives no decompression dives and allow a margin of safety. Have a means to monitor depth and time underwater. Limit maximum depth to my level of training and experience. Ascend at a rate of not more than 18 metres/60 feet per minute. Be a **SAFE** diver – **Slowly Ascend From Every** dive. Make a safety stop as an added precaution, usually at 5 metres/15 feet for three minutes or longer.
7. Maintain proper buoyancy. Adjust weighting at the surface for neutral buoyancy with no air in my buoyancy control device. Maintain neutral buoyancy while underwater. Be buoyant for surface swimming and resting. Have weights clear for easy removal, and establish buoyancy when in distress while diving. Carry at least one surface signaling device (such as signal tube, whistle, mirror).
8. Breathe properly for diving. Never breath-hold or skip-breathe when breathing compressed air, and avoid excessive hyperventilation when breath-hold diving. Avoid overexertion while in and underwater and dive within my limitations.
9. Use a boat, float or other surface support station, whenever feasible.
10. Know and obey local dive laws and regulations, including fish and game and dive flag laws.

I understand the importance and purposes of these established practices. I recognize they are for my own safety and well-being, and that failure to adhere to them can place me in jeopardy when diving.

Liability Release and Assumption of Risk Agreement

I, Participant Name, hereby affirm that I am aware that scuba diving has inherent risks which may result in serious injury or death, and am aware of the particular hazards of scuba diving with oxygen enriched air.

I understand that diving with compressed air involves certain inherent risks; including but not limited to decompression sickness, embolism or other hyperbaric/air expansion injury that require treatment in a recompression chamber. I also understand that diving with oxygen enriched air ("Enriched Air") involves inherent risks of oxygen toxicity and/or improper mixtures of breathing gas. I further understand that the open water diving trips which are necessary for training and for certification may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

I understand and agree that neither my instructor(s), the facility through which I receive my instruction, Kyalami Charters / Kyalami Scuba Club, nor PADI Americas, Inc., nor its affiliate and subsidiary corporations, nor any of their respective employees, officers, agents, contractors or assigns (hereinafter referred to as "Released Parties,") may be held liable or responsible in any way for any injury, death or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in this diving program or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in this course, I hereby personally assume all risks of this program, whether foreseen or unforeseen, that may befall me while I am a participant in this program including all risks connected therewith, whether foreseen or unforeseen.

I further release, exempt and hold harmless said course and Released Parties from any claim or lawsuit by me, my family, estate, heirs or assigns, arising out of my enrollment and participation in this course including both claims arising during the course or after I receive my certification.

I also understand that scuba diving is a physically strenuous activity and that I will be exerting myself during this course, and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

I will inspect all of my equipment prior to the activities and will notify the Released Parties if any of my equipment is not working properly. I will not hold the Released Parties responsible for my failure to inspect my equipment prior to diving.

I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.

I understand the terms herein are contractual and not a mere recital, and that I have signed this Agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

EQUIPMENT USE AND LEASE AGREEMENT

(LIABILITY AND ASSUMPTION OF RISK)

THIS AGREEMENT is entered into between Kyalami Scuba Club Inc. and Kyalami Charters Inc., and the renter, for the rental of scuba diving equipment. This AGREEMENT is a release of my rights to sue for the injuries or death resulting from the rental and/or use of this equipment.

I expressly assume all risks of scuba diving related in any way to the rental and/or use of this equipment. I hereby acknowledge receipt of the equipment designated in this form, and if any of this equipment is to be used for scuba diving I affirm I am a CERTIFIED SCUBA DIVER or STUDENT DIVER in a Scuba Diving Course/Program under the supervision of a CERTIFIED Scuba Instructor.

I acknowledge that the equipment is in good working condition and that I have examined the equipment to ensure that it is free from defects, including checking both the quality and the quantity of gas in any scuba tank(s) rented.

I acknowledge that Scuba Diving is a physically strenuous activity, that I will be exerting myself during this activity, and that if I am injured as a result of heart attack, panic, hyperventilation, drowning or any other cause, that I expressly assume the risk of said injuries and that I will not hold the Released Parties responsible for the same.

I also understand and agree that Kyalami Scuba Club Inc. and Kyalami Charters Inc., and their employees, owners, officers, agents, independent contractors, dive professionals, boat captains, crew, and dive boats (whether owned, operated, leased, or chartered) (hereinafter the "Released Parties"), shall not be held liable or responsible in any way for any injury, death or other damages to me or my equipment, whether resulting from product defect or the negligence of any party, including the Released Parties, whether passive or active.

I agree to reimburse the Dive Charter for loss or breakage of any and all equipment at the current replacement value and to also pay for damages incurred while transporting the equipment.

I agree to return the equipment in clean condition.

I further state I am of lawful age and legally competent to sign this liability release. I understand the terms herein are contractual and not a mere recital, and that I have signed this document of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this Agreement is found to be unenforceable or invalid, that provision shall be severed from this Agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent I have the authority to do so and that my heirs, assigns or beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.

I HAVE CAREFULLY READ AND UNDERSTAND THE ABOVE AGREEMENT. BY SIGNING THIS AGREEMENT, I EXEMPT AND RELEASE THE RELEASED PARTIES AND ALL RELATED ENTITIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE, OR WRONGFUL DEATH AS A RESULT OF RENTING AND/OR USING THE EQUIPMENT, HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, PRODUCT LIABILITY OR THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE. I HAVE FULLY INFORMED MYSELF AND MY HEIRS OF THE CONTENTS OF THIS LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT BY READING IT BEFORE I SIGNED IT ON BEHALF OF MYSELF AND MY HEIRS.

VESSEL LIABILITY RELEASE AND WAIVER

THIS IS A WAIVER OF YOUR RIGHTS TO SUE

I understand the purpose of signing this document is to exempt and release Kyalami Scuba Club Inc. and Kyalami Charters Inc., and their employees, owners, officers, agents, independent contractors, dive professionals, boat captains, crew, and dive boats (whether owned, operated, leased, or chartered) (collectively, the "Released Parties"), and to hold the Released Parties harmless from any and all liabilities arising as a consequence of any acts or omissions on their part, including, but not limited to, active or passive negligence.

I have been taught and understand that scuba diving is a hazardous activity with inherent risks and dangers associated therewith including, but not limited to, risks associated with equipment failure, perils of the sea, and acts of fellow divers, which could result in my serious injury or death. By way of my signature I expressly assume these risks. I assert that I am physically fit to participate in the sport of scuba diving and snorkeling and I agree by way of my signature that I will not hold any of the Released Parties responsible if I am injured as a result of any medical conditions while scuba diving and/or snorkeling. I do not have in my possession any illegal drugs, nor am I taking, nor have I recently taken any drugs or medications which could cause an adverse reaction as a result of combining such drugs and/or medication with scuba diving.

Prior to leaving the dock I will inspect all of my equipment to be used and I will notify the dive store/vessel of any equipment which I find to not be functioning properly. I will not hold the Released Parties responsible for my failure to inspect my equipment prior to diving.

I will be present and attentive to the safety briefings given by the dive masters, boat captain, and crew. I understand that I have an affirmative duty to plan and carry out my own dive and to be responsible for my own safety. By way of my signature I expressly agree that I will plan all my dives as no-decompression dives with at least a three-minute safety stop at 15 feet prior to ascending to the surface. I fully agree that I will start my ascent at the end of each dive with enough air to guarantee being on the vessel with a minimum amount of air in my tank as required by the dive leader. I will stay within 300 ft of the dive flag and will have the dive guide and my buddy in sight at all times. In addition I confirm that I have been diving within the last year of today's date.

I will immediately cease and abort my dive if:

- (1) I feel uncomfortable with my diving abilities; and/or
- (2) diving conditions are worse than those for which I have been trained or with which I am comfortable.

I am fully aware and have been trained in the dangers, risks, and hazards of holding my breath while diving on compressed air. I fully agree not to hold the Released Parties responsible for any such act by me. In the eventuality that I become distressed at the surface, I will immediately drop my weights and inflate my buoyancy compensator. I understand that if I want or need any assistance from the vessel, the dive master, or the captain I will give the proper "diver in trouble" signal. I understand that this activity may be conducted at a remote site by time and distance from a medical facility and a recompression chamber. Nevertheless I expressly wish to proceed with this trip.

I hereby acknowledge that injuries received may be compounded or increased by negligent rescue operations or procedures and agree that this waiver and release of liability, assumption of risk, and indemnity agreement extends to all acts of negligence, including negligent rescue operations, and is intended to be as broad and inclusive as is permitted by the laws of the State of Florida, and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, without regard to its conflict-of-laws principles. The parties agree that any dispute arising under this Agreement shall be brought exclusively in the state or federal courts located in Florida.

By way of my signature on this document it is my express intention to give up my right to sue all of the Released Parties referred to herein, whether specifically named or not, and it is also my intention to exempt and relieve the Released Parties from all liability arising as a consequence of any act or omission including, but not limited to, active or passive negligence. By way of my signature on this document I fully agree to indemnify and hold the Released Parties harmless from any and all liability for personal injury of any sort, property damage, or wrongful death by myself, my heirs, and assigns, and I assume expressly all risks in connection with the activities of snorkeling and scuba diving.

By way of my signature given voluntarily I evidence that I have read fully and understand this document in its entirety. If I have any questions with respect to the contents of this document I certify that I have fully informed myself before signing my name below. I fully agree to the terms and conditions herein and realize they are given in exchange for the dive store and/or the vessel allowing me to participate in this activity. I understand that this is a contract.
